TERMS AND CONDITIONS

- Rebates are available for qualifying equipment purchased and installed in nonresidential facilities using electricity and/or natural gas purchased directly from MidAmerican Energy Company.
- The incentive amounts listed are based on heated and cooled space. Incentives for areas not heated or cooled will be adjusted accordingly.
- Equipment rebates exceeding \$10,000 and all custom rebates require preapproval by MidAmerican Energy Company. Projects must be completed within six months of preapproval.
- All project installations with rebates exceeding \$20,000 require on-site verification of installation by MidAmerican Energy Company or its agent prior to issuance of rebate check. MidAmerican Energy Company reserves the right to verify project installations where rebates are less than \$20,000.
- MidAmerican Energy Company reserves the right to install a metering device on new equipment, and to verify sales receipts and canceled checks, as well as on-site verification of equipment installation during the customer's normal business hours, before or after issuing a rebate.
- Rebates are not payable until equipment is installed, operating and approved by MidAmerican Energy Company.
- Rebates for installation projects are based on rebate schedules in effect on the installation date.
- Rebate checks will be sent within six to eight weeks of project installation verification.
- Rebate checks will be issued to the building owner or account holder when equipment is installed in an existing building.
- Rebates may be subject to income tax. Consult your tax advisor for more information.
- MidAmerican Energy Company reserves the right to change or cancel this program at any time.

Disclaimer: MidAmerican Energy Company does not guarantee that installation and operation of energy-efficient equipment will result in reduced usage or in cost savings. The manner in which a customer uses and maintains energy-efficient equipment affects potential cost savings. MidAmerican Energy Company makes no warranties, expressed or implied, with respect to any equipment purchased or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall MidAmerican Energy Company be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation. MidAmerican Energy Company reserves the right to cancel or change these programs at any time. MidAmerican Energy Company's acceptance of this application does not guarantee payment of rebate.
