Attach additional sheets if necessary.)	Has the project been implemented in accordance with the description provided in the Project Application? (If no, note the changes below.)		Yes
	Project Completion Date:		No

Installed System Savings

Peak Summer Demand ¹ (kW)	Annual Electricity (kWh)	Peak Day Gas (therms)	Annual Gas (therms)

¹ Peak demand savings are those that are reduced during the periods of 4 to 6 p.m. on weekdays in June, July, August or September, excluding all national holidays.

Implementation Incentive (Administrative Use Only)

Final Incentive Amount	
------------------------	--

I, the undersigned, agree that to the best of my knowledge, the energy efficiency measures listed above are included in the project implemented as a MidAmerican Energy Company EnergyAdvantage *EfficiencyPartner*. I understand that any changes in the project savings may result in the recalculation of the implementation incentive. MidAmerican may conduct a post-installation inspection to verify savings. I am authorized by the customer organization listed above to submit this notice on its behalf.
