

2009 Iowa Commercial Kitchen Equipment Program

Make the switch to energy-efficient equipment now to lower your operating expenses and raise profitability.

You're really cooking with appliances that can reduce your energy bills.

The MidAmerican Energy Advantage®

Commercial Kitchen Equipment program offers financial incentives to nonresidential customers in Iowa who purchase electricity and/or natural gas from MidAmerican. MidAmerican lets you finance your new equipment at a competitive interest rate or receive a rebate which reduces your out-of-pocket costs. Installation of new energy-efficient equipment saves you money over the life of the equipment on monthly energy bills and contributes to a more productive kitchen.

Eligible Equipment Includes:

- Ice makers,
- Solid door refrigerators,
- Glass door refrigerators,
- Residential grade refrigerators,
- Solid door freezers,
- Residential grade freezers,
- Hot food holding cabinets,
- Natural gas fryers,
- Residential grade clothes washers,
- Residential grade dishwashers,
- Convection ovens,
- Conveyor ovens,
- Steam cookers and
- Vending machine controllers.

Equipment installed as replacement units, retrofits or in new construction is eligible. A complete list of eligible equipment and program guidelines is attached.

EnergyAdvantage® Financing

MidAmerican's EnergyAdvantage Financing program, in partnership with First American Bank, provides Iowa customers the opportunity and flexibility they need to make energy-efficient improvements. The application process is designed to provide customers access to competitive interest rates when they meet First American's credit qualification requirements and purchase and install qualifying equipment. Call 800-894-9599 for more information and to initiate the loan process.

How to Participate

At the top of the application form, please check whether you are applying for a rebate or financing. Once you've made your choice, please follow the procedure described below.

For financing, call 800-894-9599 to initiate the loan process.

For rebates:

1. Installer completes Dealer Information, New Equipment Information and Dealer Agreement sections.
2. Enter required information in the New Equipment Information section of the application.
3. Installer provides dated invoice(s), including manufacturer's name, model/serial number and quantity of high-efficiency equipment purchased and installed.
4. Customer completes Customer Information, Customer Agreement and Commercial Kitchen Equipment Survey sections and submits form, along with copy of completed dated invoice(s) to:

MidAmerican Energy Company
EnergyAdvantage Programs
P.O. Box 7232
Des Moines, IA 50309-7232

or fax to 515-244-8825

Once equipment is operating and your application is reviewed and approved by MidAmerican, your rebate check will be issued. Please allow two to three weeks for processing.

Terms and Conditions

- Participants must be MidAmerican nonresidential customers, located in Iowa. Primary energy required by qualifying measure must be purchased directly from MidAmerican.
- **Rebates exceeding \$10,000 require preapproval by MidAmerican.** Projects must be completed within six months of preapproval.
- Applications must be submitted within three months of equipment installation in existing buildings and within six months of equipment installation in new construction.
- An itemized and dated invoice from the dealer or contractor must accompany the equipment application. Applications must be completed in full; incomplete applications will delay processing and may be returned. Applications must include the equipment manufacturer's name, model/serial number, efficiency rating and the quantity of high-efficiency equipment installed.
- Rebates are based on rebate schedule in effect on the date of the dealer invoice.
- Rebate checks will be issued to building owner or account holder when equipment is installed in an existing building. Checks will be issued to builder/general contractor or building owner when equipment is installed in a new building. If financing, loan proceeds will be delivered by a joint check payable to the customer and dealer.
- Equipment must be installed and operating prior to submission of application. **MidAmerican reserves the right to verify installations.**
- MidAmerican reserves the right to install a metering device on new equipment to verify energy savings.
- Rebates may be subject to income tax. Consult your tax advisor for more information.
- This program is subject to change or cancellation without notice.
