Project Information

Project Description (Please list all measures providing a detailed description. Attach additional sheets if necessary.)	
--	--

Projected Cost		Projected Annual Savings (\$)		Project Installation Date	
----------------	--	-------------------------------	--	---------------------------	--

System Savings Data

Estimated Baseline Energy			Estimated System Savings		
Peak Summer Demand ¹ (kW)	Annual Electricity (kWh)	Annual Gas (therms)	Peak Summer Demand ¹ (kW)	Annual Electricity (kWh)	Annual Gas (therms)

Have the energy-savings calculations changed since the PIR submittal? (If yes, please provide revised documentation.)		Yes		No
--	--	-----	--	----

¹Peak demand savings are those that occur during the periods of 4 to 5 p.m. on weekdays in June, July, Aug, or Sept., excluding holidays.

Bid Cycle Information

Bid Cycle Number		Project Implementation Deadline		Project Completion Deadline	
------------------	--	---------------------------------	--	-----------------------------	--

We, the undersigned, agree that, to the best of our knowledge, the energy efficiency measures listed above are representative of the project implemented as part of MidAmerican's Efficiency Bid Program. Your signature also indicates that you agree to allow MidAmerican to verify the energy savings achieved as a result of the installed measures by providing reasonable access during normal business hours. MidAmerican's review or inspection of any energy conservation measures will not constitute any representation as to the technical or economic quality of the measure. MidAmerican, its officers, employees and contractors will not be liable for the performance of these measures. MidAmerican will not release any proprietary information about the customer's business without its permission.
