A customer's deposit shall be refunded with interest after not more than 12 consecutive months of prompt payment (which may be 11 timely payments and 1 automatic forgiveness of late payment). For refund purposes, at the minimum, the Company shall review the account after 12 months' service and at least each anniversary month thereafter.

Upon termination of service, the deposit plus accumulated interest, less any unpaid utility bill of the customer, shall be reimbursed to the person who made the deposit.

Interest on customer deposits on or after December 15, 1982, shall be computed at the rate of 12 percent compounded annually. Deposits made before December 15, 1982, shall be computed at the rates then in effect.

Interest shall be paid from the date the deposit is received to the date the deposit is determined to be refunded or applied to the customer's account.
