

Spring 2018 Residential Tree Program – Waterloo Region

To order, please complete the lower portion of this form and mail to:

City of Waterloo Leisure Services

1101 Campbell Avenue
Waterloo, IA 50701
(319) 291-4370

MidAmerican Energy Company customers in Iowa are eligible to purchase trees for \$30 each, with the remaining cost funded through a grant from MidAmerican Energy. Advanced purchase is required and is limited to two trees per household to ensure that all customers have the opportunity to participate. In the event that additional trees are available on distribution day they will be released for purchase at 4 p.m. on a first-come, first-served basis until all are sold. **Trees must be picked up Thursday, May 3, 2018, from 4-6 p.m.** at Waterloo Leisure Services, 1101 Campbell Avenue, Waterloo, IA. Any trees not picked up by 6 p.m. on distribution day will be considered donations to Waterloo Leisure Services. **Trees are nonrefundable. Exchanges will not be accepted and plant material is under no warranty and/or guarantee.**

In exchange for participation in this program, the customer agrees that MidAmerican Energy, Iowa Department of Natural Resources or Waterloo Leisure Services shall not be liable, in contract, tort and strict liability or otherwise, for any damages arising out of the administration of this program. MidAmerican Energy makes no warranties, expressed or implied, with respect to any material supplied under this program.

Please complete the order form below and return with a check for **\$30 (one tree)** or **\$60 (two trees)**, payable to **Waterloo Leisure Services**. No credit card or cash orders accepted.

NOTE: For alternate species, please only select trees you are willing to accept without being notified if your preferred species is not available. If both your preferred and alternate choices are sold out, your payment will be returned. If one of your choices is available, you will receive your order confirmation approximately one week prior to pickup.

TREES AVAILABLE FOR PURCHASE – Deciduous and low-growing trees are 3-10 feet tall and conifers are a minimum of 2.5 feet tall. Please consider size at maturity when making your selection(s). For maximum energy efficiency, shade trees should be planted within 30 feet of the east and west sides and conifers should be planted as windbreaks along the north and west sides of your home. Before planting your tree(s), Iowa law requires you to call 811 at least two business days before digging to make certain there are no utility lines or other equipment buried underground. For more information, visit www.call811.com or call **800-292-8989**. Dimensions below indicate size at maturity.

- [Chinkapin oak](#) (40-60' tall, 50-70' wide)
- [Quaking aspen](#) (20-50' tall, 10-30' wide)
- [Hackberry](#) (40-60' tall/wide)
