

HEATING AND COOLING

2018 ILLINOIS FOR YOUR HOME REBATE APPLICATION

Instructions: Fill out application completely and sign. Attach supporting documentation: itemized invoice(s), SAVE test results/contractor report, EnergyGuide label(s), if applicable, etc. Failure to complete the required sections and provide documentation will result in denial of claim.

Equipment must be purchased and installed between Jan. 1, 2018, and Dec. 31, 2018. Rebate applications must be postmarked by Dec. 31, 2018, to qualify for 2018 rebates. Rebate applications for equipment/materials purchased in 2018, postmarked after Dec. 31, 2018, will not be eligible for rebates.

Rebates cannot exceed 50 percent of the installed cost (reasonable labor and material/equipment – reasonableness to be determined by MidAmerican Energy Company.) Installed cost includes contractor labor only and does not include internal labor.

SECTION 2 Complete all fields for each piece of equipment purchased and installed.

Natural Gas Furnace Information						
You must be a MidAmerican Energy residential natural gas customer to qualify. Equipment must be AHRI Certified, <225 MBtuh with an AFUE of 95 and above. Furnace must be installed with a SAVE rating of excellent to be eligible for rebate.						
<input type="checkbox"/> Natural gas furnace rebate = \$300/unit						
Date installed		AHRI reference number		SAVE score	AFUE	Capacity (MBtuh)
Equipment cost		Labor cost	Total installed cost	ECM furnace fan installed		
\$		+	\$	=	\$	
					<input type="checkbox"/> Yes <input type="checkbox"/> No If yes, submit energy-efficient furnace fan motor information below	
Manufacturer/brand name			Model number		Serial number	

Energy-Efficient Furnace Fan Motor Information						
You must be a MidAmerican Energy residential electric customer to qualify. Equipment must be AHRI Certified. Furnace fan must be installed on new qualifying furnace with AFUE 95 and above; <225 MBtuh, add-on fans only. May not be built into system and CEE air handling ratio must be <0.02.						
<input type="checkbox"/> Efficient fan motor rebate = \$50/unit						
Date installed			Furnace AHRI reference number	AFUE of furnace		CEE air handling ratio <0.02
						<input type="checkbox"/> Yes <input type="checkbox"/> No
Equipment cost		Labor cost	Total installed cost			
\$		+	\$	=	\$	
Furnace brand name			Furnace model number		Furnace serial number	

Air-Source Heat Pump Information

Must be SAVE certified (excellent rating) units <65 MBtuh; AHRI Certified (coil and condenser must match). Provide furnace information if the furnace increases efficiency of heat pump. Applications for air-source heat pumps not SAVE tested in 2018 can be submitted up to Sept. 30, 2019, if pre-enrolled by Dec. 31, 2018. However, they will receive the 2019 rebate.

Qualifying Efficiency	Equipment Rebate	Unit Size* (actual cooling tonnage rounded to nearest tenth of a ton)	Total Rebate
<input type="checkbox"/> SEER 15-15.9 <input type="checkbox"/> SEER 16-16.9 <input type="checkbox"/> SEER 17 and above	\$150/cooling ton \$200/cooling ton \$350/cooling ton

*Rebate is based on actual equipment rating in Btuh at AHRI rating conditions. Divide Btuh by 12,000 to calculate unit size in tons.

REMEMBER TO SIGN THE LAST PAGE

Ground-Source Heat Pump Information

Must be SAVE certified (excellent rating) and meet either qualifying efficiency level; must be AHRI Certified; <135 MBtuh. Documentation of capacities must be included in addition to ENERGY STAR certification. The capacity and efficiency rating will be determined using the full heating load and partial cooling load for multistage equipment.

Cooling (EER) Rebate		Heating (COP) Rebate		Total Rebate (cooling plus heating rebates)

Central Air Conditioner Information

To qualify, you must be a MidAmerican Energy electric customer and equipment must be AHRI Certified. Central air conditioner must be installed with a SAVE rating of excellent to be eligible for a rebate. Must be <65 MBtuh; coil and condenser must be an AHRI match. Provide furnace information if the furnace increases efficiency of air conditioner. Applications for central air conditioners not SAVE tested in 2018 can be submitted up to Sept. 30, 2019, if pre-enrolled by Dec. 31, 2018. However, they will receive the 2019 rebate.

Qualifying Efficiency		Equipment Rebate		Unit Size* (actual cooling tonnage rounded to nearest tenth of a ton)		Total Rebate	
<input type="checkbox"/> SEER 15-15.9		\$50/cooling ton					
<input type="checkbox"/> SEER 16-16.9		\$100/cooling ton					
<input type="checkbox"/> SEER 17 and above		\$300/cooling ton

Outdoor							

*Rebate is based on actual equipment rating in Btuh at AHRI rating conditions. Divide Btuh by 12,000 to calculate unit size in tons.

ENERGY STAR® Certified Room Air Conditioner Information

You must be a MidAmerican Energy residential electric customer to qualify. Must be ENERGY STAR certified; does not need to be SAVE tested.

<input type="checkbox"/> Room air conditioner rebate = \$35/unit			
Manufacturer/brand name	CEER	Capacity (Btuh)	Date installed
Model number	Serial number		
Equipment cost \$	+	Labor cost \$	= Total installed cost \$

Programmable Thermostat Information

Must have two or more set-backs; Wi-Fi and smart thermostats qualify. MidAmerican Energy must provide the primary heating fuel to your home. Rebate amount cannot exceed equipment cost.

<input type="checkbox"/> Programmable thermostat rebate = \$25/unit			
Date installed	Manufacturer/brand name	Model number	Cost \$
Programmable thermostat controls: <input type="checkbox"/> Furnace <input type="checkbox"/> Boiler <input type="checkbox"/> Central air conditioning <input type="checkbox"/> Heat pump <input type="checkbox"/> Resistance heat			

Heat Pump Water Heater Information

For residential electric-only customers; not available to natural gas customers. Must be ENERGY STAR certified.

<input type="checkbox"/> EF 2.4 and above, ≤55 gallons rebate = \$300/unit or <input type="checkbox"/> UEF ≥ 2.0, ≤65 gallons rebate = \$300/unit	Water heater capacity (gallons)	Energy factor (EF) or Uniform Energy Factor (UEF)	AHRI number if listed
Date installed	Manufacturer/brand name	Model number	Serial number
Equipment cost \$	+	Labor cost \$	=
		Total installed cost \$	

Is the heat pump water heater installed in a conditioned space Yes No

Specific Terms and Conditions

- Participants must be residential customers located in MidAmerican Energy Company's **Illinois** service territory.
- For prescriptive rebates, the rebate payment cannot exceed 50 percent of the installed cost (reasonable labor and material/equipment – reasonableness to be determined by MidAmerican Energy Company.) Installed cost includes contractor labor only and does not include internal labor.
- MidAmerican Energy Company must deliver the electricity and/or natural gas to the equipment for which the rebate is being paid. See specific equipment requirements to ensure your equipment qualifies.
- **In order to receive a furnace, air-source heat pump, ground-source heat pump or central air conditioner rebate, the equipment must be pre-enrolled and tested by an HVAC SAVE certified technician unless otherwise noted.**
- Electric customers who purchase a new natural gas furnace with an energy-efficient fan motor qualify for the \$50 fan motor rebate.
- Must be AHRI Certified or ENERGY STAR certified, as indicated.
- **Allow 4 – 6 weeks for rebate processing.**

General Qualifications and Conditions

Important: Before completing and signing this form, please read the General Qualifications and Conditions located in the 2018 **Illinois For Your Home** rebate booklet or at www.midamericanenergy.com/ee.

Disclaimer

MidAmerican Energy Company does not guarantee that installation and operation of high-efficiency equipment will result in reduced usage or in cost savings. MidAmerican Energy Company makes no warranties, expressed or implied, with respect to any equipment purchased or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall MidAmerican Energy Company be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation. MidAmerican Energy Company reserves the right to cancel or change these programs at any time. MidAmerican Energy Company's acceptance of this application does not guarantee payment of rebate.

Before you submit your form:

- Fill out this form completely.
- Attach a copy of the itemized sales receipt or invoice.
 - » Include ARI/ISO-standard specification sheets.
 - » Include documentation of GSHP capacities in addition to ENERGY STAR listing.
- Include documentation listed in the instructions.
- Sign the Customer Agreement section. If a dealer installed the equipment, the dealer must sign the Dealer Agreement.
