

- Rebates will be based on the rebate schedule in effect on the invoice date.
- For custom rebates, the rebate payment cannot exceed 50 percent of the installed cost (reasonable labor and material/equipment - reasonableness to be determined by MidAmerican Energy Company). Installed cost includes contractor labor only and does not include internal labor.
- Rebate checks will be issued to the building owner or account holder.
- Rebates may be subject to income tax. Consult your tax advisor for more information.
- Rebates for all South Dakota energy efficiency programs are issued on a first-come, first-served basis. Rebates may not be available if 2019 program funding is depleted prior to the end of the year.
- Itemized and dated invoices from the contractor must accompany equipment applications. Specification sheets also are required for all equipment.
- Applications must be completed in full; incomplete applications will result in denial. Applications for equipment must include the equipment manufacturer's name, model/serial number, efficiency rating and the quantity of high-efficiency equipment installed.
- All project installations with rebates exceeding \$20,000 will be reviewed for on-site verification of installation by MidAmerican Energy Company or its agent prior to issuance of rebate.
- Rebate application must be submitted within 90 days of dealer invoice or by Jan. 31, 2020, whichever comes first, for the equipment/material purchased. Applications can be submitted via email at [rebateapplications@midamerican.com](mailto:rebateapplications@midamerican.com).
- Allow up to 4 weeks for rebate processing once application and supporting documents are received (excluding on-site verification time, if needed).
- MidAmerican Energy Company reserves the right to conduct onsite verification of equipment installation, install metering devices on new equipment, and to verify sales receipts and other project documentation at any time before or after issuing a rebate.
- MidAmerican Energy Company does not endorse any particular manufacturer, product or system design in promoting this incentive program. Listing a product does not constitute an endorsement, nor does it imply that unlisted products are defective in any way.
- This program is effective Jan. 1, 2019, through Dec. 31, 2019, and is subject to periodic review by MidAmerican Energy Company, and MidAmerican Energy Company reserves the right to modify or end these programs at any time.

**Disclaimer**

MidAmerican Energy Company does not guarantee that installation and operation of high-efficiency equipment will result in reduced usage or in cost savings. MidAmerican Energy Company makes no warranties, expressed or implied, with respect to any equipment purchased or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall MidAmerican Energy Company be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation. MidAmerican Energy Company reserves the right to cancel or change these programs at any time. MidAmerican Energy Company's acceptance of this application does not guarantee payment of incentive.

<b>Customer Agreement</b>	
I, the undersigned customer, agree that to the best of my knowledge, the energy efficiency project listed above is completely installed and operational at the project site listed in the Project Information section. I have complied with all federal, state and local codes and regulations and MidAmerican Energy Company's terms and conditions. I will notify MidAmerican Energy Company immediately of any changes to the above information. I also understand that any changes in the preapproved project scope or submission of the Project Installation Notice after the preapproval expiration date may result in the recalculation of the preapproved rebate. Additional rebates in excess of the preapproved amount may be subject to availability of Program funds. I understand MidAmerican Energy Company may conduct a post-installation inspection to verify savings. I am authorized by the customer organization listed above to submit this Project Installation Notice on its behalf.
