2021 IOWA BUSINESS REBATE APPLICATION

<input type="checkbox"/> Reservation Application	<input type="checkbox"/> Final Application
--	--

To apply, **complete all required sections of this application** or application will be rejected. Applications must be submitted within six months of dealer invoice or by Dec. 31, 2021, whichever comes first. Equipment must be purchased between Jan. 1, 2021, and Dec. 31, 2021, and installed and operating prior to submission of final rebate application.

Rebates are issued on a first-come, first-served basis. Please allow 14 days for rebate processing.

For custom equipment projects, use the Custom Project Preapproval application available at MidAmericanEnergy.com.

Commercial new construction projects, including multifamily new construction are not eligible for prescriptive rebates. All commercial new construction projects, including multifamily projects, must participate in the Commercial New Construction program in order to receive rebates.

Please review the General Qualifications and Conditions located at MidAmericanEnergy.com/ee before signing and submitting this application. The following must be included:

- The dated quote which includes itemized labor and equipment estimated costs (Reservation Application only)
- The dated sales receipt or invoice including itemized labor and equipment costs, manufacturer’s name, model number and quantity of qualified equipment purchased. (Final Application only)
- A signature(s) in the Customer/Dealer Agreement section(s).
