

SMART THERMOSTAT

2022 IOWA RESIDENTIAL REBATE APPLICATION

To apply, complete all required sections of this application and include required documents or the application will be rejected. Applications must be submitted within 90 days of the invoice or by December 31, 2022, whichever comes first. Equipment must be purchased between January 1, 2022, and December 31, 2022, and installed and operating prior to submitting the final rebate application. Before signing and submitting this application, please review the [Qualifications and Conditions](#) located at the end of this document or online at www.MidAmericanEnergy.com/ee.

Rebates are issued on a first-come, first-served basis. Please allow 14 days for rebate processing.

A dated sales receipt or invoice including smart thermostat cost (excluding any installation costs), manufacturer's name, and quantity of qualified equipment purchased must be included with the completed rebate application.

Submit completed applications using one of the following methods:

Online: Trade Allies/contractors can submit applications online. Trade Allies/contractors must first enroll to have access. Contact a Trade Ally Ambassador at 877-290-4517 to enroll.

Disclaimer

MidAmerican Energy Company does not guarantee that installation and operation of high-efficiency equipment will result in reduced usage or in cost savings. MidAmerican Energy Company makes no warranties, expressed or implied, with respect to any equipment purchased or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall MidAmerican Energy Company be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation. MidAmerican Energy Company reserves the right to cancel or change these programs at any time. MidAmerican Energy Company's acceptance of this application does not guarantee payment of rebate.

Customer Agreement (required)	
I certify that I have purchased the equipment described on this form and that it has been installed at the service address indicated. I agree to the qualifications and conditions associated with this form. I understand that MidAmerican Energy reserves the right to inspect and verify installation before or after issuing payment.

Iowa Residential Qualifications and Conditions

- Participants must be residential customers located in MidAmerican Energy Company's Iowa service territory.
- MidAmerican Energy Company must provide the primary electricity or natural gas to the equipment for which the rebate is being paid. Additionally, heating, ventilation and air conditioning rebates may require that the primary heating fuel is provided by MidAmerican Energy Company to the installation address.
- Qualifying equipment must be new, installed on the premises and must not be purchased for resale.
- Customers are responsible for ensuring that the equipment installed for these programs meets all applicable codes, standards and regulatory requirements.
- Customers agree to allow MidAmerican Energy Company, its program implementation contractors, and their subcontractors to access their property for the purposes of delivering program services/equipment made available through MidAmerican Energy's energy efficiency programs.
- Equipment must be purchased between January 1, 2022, and December 31, 2022, and installed and operating prior to submission of final rebate application. Rebate applications for equipment/material purchased must be submitted within 90 days of dealer invoice, or by December 31, 2022, whichever comes first. Applications can be submitted via email at rebateapplications@midamerican.com.
- Failure to complete the required sections and provide the requested documentation will result in denial of application.
- Rebates are issued on a first-come, first-served basis. Rebates and incentives are offered until approved funds are exhausted or through December 31, 2022, whichever comes first.
- For prescriptive rebates (excluding smart thermostat rebates), the rebate payment cannot exceed 50% of the installed cost (reasonable labor and material/equipment – reasonableness to be determined by MidAmerican Energy Company). Installed cost includes contractor labor only and does not include internal labor. Smart thermostat rebate amount cannot exceed 50% of the smart thermostat purchase price, excluding installation costs.
- MidAmerican Energy Company reserves the right to withhold payment or award the incentive in the form of a bill credit for customers in arrears.
- Rebate checks will be issued to the building owner or account holder unless authorization provided for an alternative payee.

- Allow up to 14 days for rebate processing once application and supporting documents are received (excluding on-site verification time, if needed).
- MidAmerican Energy Company, its program implementation contractors and their subcontractors reserve the right to request additional supporting documentation, if necessary, to ensure measure eligibility and verify existing system performance and baseline conditions.
- MidAmerican Energy Company, its program implementation contractors and their subcontractors reserve the right to inspect and verify installation before or after issuing the rebate payment.
- MidAmerican Energy Company, its program implementation contractors and their subcontractors do not endorse any manufacturer, product or system design in promoting this incentive program. Listing a product does not constitute an endorsement, nor does it imply that unlisted products are defective in any way.
- MidAmerican Energy Company, its program implementation contractors and their subcontractors do not guarantee that installation and operation of energy-efficient equipment will result in reduced usage or in cost savings. The manner in which a customer uses and maintains energy-efficient equipment affects potential cost savings.
- MidAmerican Energy Company, its program implementation contractors and their subcontractors make no warranties, expressed or implied, with respect to any equipment purchased or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose.
- In no event shall MidAmerican Energy Company or its program implementation contractors and their subcontractors be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation.
- The programs are effective January 1, 2022, through December 31, 2022, unless otherwise noted, and are subject to periodic review by MidAmerican Energy Company. MidAmerican Energy Company reserves the right to modify or end these programs at any time without any notification.
