**At Your
Service**

DISCLAIMER: MidAmerican Energy Company does not guarantee that installation and operation of energy-efficient equipment will result in reduced usage or in cost savings. The manner in which a customer uses and maintains energy-efficient equipment affects potential cost savings. MidAmerican Energy makes no warranties, expressed or implied, with respect to any equipment purchased or installed, including, but not limited to, any warranty of merchant ability or fitness for a particular purpose. In no event shall MidAmerican Energy be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation. MidAmerican Energy reserves the right to cancel or change these programs at any time. MidAmerican Energy's acceptance of this application does not guarantee payment of rebate.

2019 NEBRASKA

EQUIPMENT PROGRAM

NEBRASKA 2019 ENERGY EFFICIENCY PROGRAM

MidAmerican Energy's energy efficiency program offers rebates to Nebraska customers with a rate designation of Small Volume Firm (SVF) who purchase and install qualifying heating and water heating equipment. To be eligible for an equipment rebate, the customer must use, as their primary heating source, natural gas which is supplied directly by MidAmerican Energy. Also, the equipment for which the rebate is being applied must be fueled by natural gas supplied directly by MidAmerican Energy.

EQUIPMENT TYPE	REBATE AMOUNT
Natural gas furnaces 95% AFUE and above	\$450
Natural gas tankless water heaters 0.87 UEF and above	\$250
Natural gas storage water heaters \geq 0.64 UEF Medium Draw pattern	\$150
Natural gas storage water heaters \geq 0.68 UEF High Draw pattern	\$150

PARTICIPATION GUIDELINES

Participants must be located in MidAmerican Energy Company's Nebraska service territory with a rate designation of SVF. Rebates are issued on a first-come, first-served basis. Rebates are offered until approved funds are exhausted or through Dec. 31, 2019, whichever comes first. After installing qualifying equipment, simply submit a completed equipment rebate application and itemized invoice to MidAmerican Energy for approval. The Nebraska equipment rebate application can be found online at MidAmericanEnergy.com/ee.

Your contractor can assist in completing the application. Your application must be postmarked by Jan. 31, 2020. For more information, call 877-932-0616.

HOMECHECK® ONLINE

Residential customers can save money and energy and add comfort to their homes with a free online HomeCheck energy assessment. The online assessment offers personalized energy use information that can be customized based on your home and lifestyle.
