House and Large Load Move Request Procedure

Request Review and Approval Process

MidAmerican Energy Company requires the following in order to commence work on the request to accompany a house and large load move:

1. Accepted *only* from the **mover**: Complete and accurate routing information, including a written description of the route, digital copy of map with the route highlighted and all the loaded dimensions of the structure to be moved.
2. A cashier's check or check in the amount of **\$275.00** to cover the cost of measuring the lines along the route and producing a proposal for the job.
3. Upon receipt of the required information and route review fee, MidAmerican Energy Company will complete the route review and provide notice of any conflicts or a no-conflict determination within 10 business days. The timeframe for final approval and completion of the move will depend on the review findings, the extent of any conflicts, and the complexity of the required make-ready work.
4. After completing its review, MidAmerican Energy Company will provide a contract outlining the applicable terms, conditions and costs if applicable. **HOUSE AND LARGE LOAD MOVES SHALL NOT PROCEED UNTIL MIDAMERICAN ENERGY COMPANY HAS RECEIVED A PROPERLY EXECUTED CONTRACT FROM YOU AND ANY APPLICABLE MOVERS.**

Please return promptly to the below address.
